Antioch Area Plans Thanksgiving Events, Schools, Shops Close

Joint Thanksgiving Service at Antioch Methodist Church at 9:30

Antioch is preparing to observe Thanksgiving Day in much the usual fashion.

Grocery lists will be checked and doubled checked this week and next as housewives and dining places plan the traditional big Thanksgiving Day dinner.

Special entertainment is being planned by various organizations.

But the celebration will not be without its more serious aspects. Congregations of the Antioch Methodist church and the Millburn Congregational church again will join in a service of worship at 9:30 a.m. next Thursday at the Antioch Methodist church. The public is invited to participate.

Thankfulness for the plenty in food, clothing and shelter that this country affords along with the many advantages that are ever present will find its way into the prayers of the grateful.

Thankfulness for the freedom and privileges along with the responsibility that both entail will be uppermost.

Business, with the exception of those places that serve food or provide emergency needs will be closed for the day. The Antioch News will be printed a day earlier.

The Veterans of Foreign Wars and its Auxiliary will hold a Thanksgiving party at the post home on Main street Saturday, Nov. 23. There will be dancing and refreshments starting at 9 p.m.

All Antioch schools will close on Wednesday for the rest of the week and classes will be resumed on Monday.

Wilmot, Salem Central To Clash Friday Night At Falcon Hardwood

There will be neighborhood rivalry tomorrow evening as the Wilmot High School Panthers meet Salem Central at the Falcon court.

The Panthers opened their season Tuesday night, losing to Union Grove 52 to 42.

Coach Bob Handke expects a fair season for his Panthers. "We have the height, but not the experience," he commented, noting that only two lettermen, Jim Bauman and Wally Parteneimer, are available.

Bauman is a senior guard, stands 5-11 and is the team captain. Parteneimer is a junior who plays either forward or center. He scales 6-2.

Here's the roster:

Confers With Antioch Alumni
Frank Denison, guidance counselor at the high school, spent Wednesday on the University of Illinois campus at Urbana conferring with former Antioch high school students now attending college there. The university sent invitations to 75 schools to take part in this program which it organized last year.

The university is trying to coordinate the teaching of English so that there will be no gap between the high school program and the college program. If this is accomplished the University believes that the remedial English will not be necessary at college.

Two Executions Start the Crackdown on Persons Failing to Pay Their Personal Property Tax

The law has begun to crack down hard on Antioch area personal property owners who have failed to pay their taxes.

Two executions of judgments from the court of Justice of the Peace Herbert Litchfield yesterday resulted in the levying on one automobile which was later redeemed through the payment of the tax of \$13.01, plus court costs of \$24.60, a total of \$37.61, and an attempted attachment of another.

When Constable Peter Matteoni served an execution on Anton Klostaris of Beach Grove road last night Klostaris threw the legal paper back at the constable and refused to give him keys to the car which he sought to attach.

By the time sheriff's police had arrived Klostaris had locked his house and garage. Any move of the car onto the highway will result in its attachment.

"Heaven Can Wait" Junior Class Play On November 29-30

The cast and stage crew of the Junior Class Play are putting the finishing touches on the play "Heaven Can Wait," a comedy-fantasy. It will be presented at 8 p.m. on Nov. 29 and 30 in the Antioch High School auditorium.

The plot revolves around a prize fighter who is brought to heaven too early, his efforts to return to the earth, and the problems he encounters on earth. Ray Teml will be seen as the prize fighter, Jim Quinn as the "head man of heaven," and Bryan Cain as the confused messenger. Other roles will be played by Bob White, Mary Lou Geist, Rosie Northern, Carolyn Stoffel, Jim Tully, Art Wollpert and Bill Dressel.

Lee Osmond is stage manager of the production. Dick Carlson is in charge of stage sets.

Tickets are being sold by members of the Junior class and will also be sold at the door.

Lester (Happy) Dix, Salem, Wis. Merchant Dies, Ill Short Time

Lester (Happy) Dix, 40, Salem, Wis., owner of the Badger Auto Sales, and operator of the Dix Bus Service, died Monday at Victory Memorial hospital in Waukegan following a brief illness.

Mr. Dix was born in Salem township Nov. 7, 1908, and lived in the village of Salem all but one year of his life. He married Miss Margaret Stoxen on Sept. 24, 1932. She survives, as do a daughter, Judith Ann, who is in nurse's training at Bellin Memorial hospital at Green Bay, Wis.; three brothers, Lloyd of Kenosha, Wis., Frank and Gordon, both of Salem; and a sister, Mrs. Hilda Hegeman of Wilmot.

Membership was held by Mr. Dix in the Salem Methodist church. He was a member of the Salem Volunteer Fire department.

The funeral service was held at 2 p.m. Wednesday at the Strang Funeral home, with the Rev. Carroll Usher of the Salem Methodist church officiating. Interment was in Wilmot cemetery.

A.T.H.S. Gift Concert Set For December 8

Antioch Township High School's Concert Band and Choruses will join in presenting their annual Christmas Gift to the community on Sunday afternoon, Dec. 8, at 3 o'clock. The concert will include selections from the Christmas portion of Handel's Messiah.

Following the concert a reception will be held in the gymnasium. Santa will be there with candy for the kiddies.

Kenneth Smouse, vocal director, invites adults from the community to join the high school choruses in singing the "Messiah" selections. Practices will be held Sunday, Nov. 24 and Sunday, Dec. 1 at 2:30 p.m. Smouse hopes that a large number of singers will be able to participate.

Students See Safety Movies
Robert H. (Mickey) Babcox, county coroner, and candidate for Lake County sheriff, showed motion pictures on highway safety before the Antioch Township High School student body yesterday.

THE SPIRIT OF THANKSGIVING

"Humbly aware that we are a people greatly blessed, both materially and spiritually, let us pray this year not only in the spirit of Thanksgiving but also as supplicants for God's guidance, to the end that we may follow the course of righteousness and be worthy of His favor." — Dwight D. Eisenhower.

Lindenhurst Commission Urges House Numbering

In a letter dated November 8, the Planning commission of Lindenhurst, headed by C. M. Larson, Old Elm Road, suggested that urgency requires immediate action with regard to a house numbering program with the center starting at or near the proposed shopping center area.

The letter stated that such a program would be an aid to fire and police protection, emergency service by a doctor, ambulance or rescue squad and would be a first step toward a post office application.

The letter further stated that consideration should be given to applying for a U. S. Post Office now, named Lindenhurst, Illinois, as at least two years of negotiation are required before favorable action might be obtained from the U. S. Postal Department because of budgetary and other requirements.

Messrs. Robert Filwett, Harold Behrendt, Henry Ploss, Mrs. Carol Henderson with C. M. Larson as chairman make up the Commission.

Ferris Seeks New Trial On Trailer Camp Charge

Paul Ferris of Beach Grove road near Lake Marie, who was found guilty of violating the Lake County zoning ordinance, has asked for a new trial.

County Judge Minard E. Hulse has set 1:30 p.m. Tuesday as the time of the hearing on arguments for the retrial.

The motion was made by Atty. Lewis Clarke who said he had not received a transcript of the proceedings of the trial on which Judge Hulse heard testimony in November, 1956, and last May.

Ferris had been fined \$200 for operating a trailer camp and tent city without a rezoning.

He had contended that the trailer camp was in operation before the county zoning law was enacted in 1939. The prosecution contended that while some of the trailers were there, many of them were not.

Test Eyes at Randall School
The children in the Randall Consolidated school are having their eyes tested and the following mothers have volunteered to help in the project:

Hazel Onsgaard, Jane Buchen, Gertrude Krimpen, and Blanche Miller of Bassett; Lucille Bradley and Ethel Hollencamp of Randall; Mrs. C. Kennedy and Mrs. E. Cappell of Wilmot.

Flynn New Co. Veterinarian
Dr. G. W. Jensen will end his duties as county veterinarian November 30.

He will be succeeded by Dr. Richard Flynn, a resident of Forest Park, Cook county, who at present is engaged part time at the Argonne Laboratories.

Dr. Jensen has been in retirement as a veterinarian.

The Antioch Township High School Boards of Education have worked diligently through the years to develop a good instructional program and an adequate school building.

In order to maintain the present program, the Board of Education is asking for increased funds. The Board has been available and is willing to answer any and all questions concerning the request for additional funds for the school program.

Following are a few reasons for the increased cost of operation:

The major factor that is causing a financial problem is the extremely rapid growth in pupil enrollment. The enrollment problem that has been acute on the elementary level has now reached the high school.

The June, 1956, local school graduating class numbered 98 seniors. In the fall of the same year, 235 freshmen took their place. Seventy-two seniors graduated in 1957 and was followed by a new class of 227.

It is estimated that 95 students will graduate next June, and the freshman class next September will reach 175. Larger classes are anticipated in the future.

Increased enrollment forces the Board to purchase more supplies, equipment; more maintenance and repair is needed in a building already at capacity. Additional busses are needed and more teachers and non-teaching personnel must be employed.

A student desk formerly purchased at \$7.35 now costs \$14.80. A school bus purchased recently for \$9,400 formerly was purchased at \$5,800. Teachers employed at \$2,400 are now paid a minimum of \$4,000. Thus, expenses continue to climb at a time when more and more children are coming into the high school.

The Board needs additional money to operate the school. On November 30, the citizens are being asked to vote an increase in the educational fund from .65 cents to .80 cents. The increased money from a successful referendum will be used by the Board to continue to maintain a good total school program.

Board Meeting—November 12

The regular meeting of the Board of Education of Central High School at Salem was held November 12 with one member absent. The request of several families to extend the present bus run several miles south of the present point of termination was voted for investigation. The results of the first nine weeks scholastic report were examined. The Board approved and signed a G.E.D. diploma for a youth in the district, now in the armed forces. A Christmas get-together meal for the school personnel to be held on Dec. 18 was approved. Principal A. H. Erickson explained the effect of the recent flu epidemic on the average daily attendance and possible state aids. He also reported on the numerical participation by students in the basketball sessions under the supervision of the coaching staff in the high school.

Publish on Wednesday

Because the regular publication day falls on Thanksgiving Day the Antioch News will appear one day earlier next week — on Wednesday. This means that news and advertising must be in a day earlier.

Man Found Murdered Near Hickory Corner, Victim of Gangland

Eugenio Lopez, 42, Police Informant Strangled In Automobile

The body of a former Chicago bartender and tavern owner, found strangled to death in a car at Edwards road and Rte. 45 four miles east of Antioch, lies at the Strang funeral home here while police of two states seek the killer.

Identified through finger prints as Eugenio Lopez, alias James Crizell, 42, the man is reported by police as a police informant who had been muscled out of a money-making lottery run for new arrivals from Porto Rico.

Police said the murder was a typical gangland slaying.

Lopez evidently had been beaten into submission and then taken for a ride by two men. As he sat in the front seat a man in the back seat apparently threw a cloth around his neck and applied it as a tourniquet.

The victim was discovered by Glen Nelson, a farmer, shortly before noon Tuesday. He saw the parked car several hours earlier but did not investigate until the second time he passed it.

Lopez' body was wedged against the floor in the back seat.

Two men who sought to gain entrance to Lopez' apartment in Waukegan were refused admission by the landlady. The murdered man had been a resident of Waukegan throughout the summer.

Sheriff's Deputy Charles Larson of Antioch is checking a list of telephone numbers found in Lopez' room. They are in Chicago and Wisconsin indicating the killing originated in the Chicago or Milwaukee area.

Police records show that Lopez had been arrested nine times since 1952. His Chicago landlady said he engaged in the numbers racket and always had plenty of money.

A post mortem was conducted here by Dr. Hugh Wilson, aid to Coroner Robert H. Babcox. He said that death was from strangulation rather than from any of the blows Lopez received on the head.

Mortician Ed Strang said he is awaiting orders for the disposal of the body.

Channel Lake Woman Injured in Car Crash

Mrs. Lillian Korjenek, 47, Channel Lake, suffered a possible fracture of one knee and concussion Tuesday evening when the car she was driving, left the pavement on Lake Avenue, Channel Lake, and struck a tree.

The Antioch Rescue squad took her to a local doctor, who said she was able to be taken to the Community hospital in Zion where she is employed. State police took her to Zion, where she was treated by her own physician.

Speech Class Canceled

The Adult Evening School speech class which was to have begun at the high school next week has been canceled due to lack of enrollment.

Report to Public on Dec. 5 Will Climax Study Of Citizens Fact Finding Committee Unit Study

The Antioch Area Citizens Fact-Finding Committee, studying community unit school organization, will climax a two year survey study when it reports to the general public on December 5.

The meeting will be held in the Antioch High School auditorium where the Committee and the North-Western Committee on Field Services and Research will discuss important aspects of the study.

On Nov. 30, 1955, the high school Board of Education sent the following invitation to all of the underlying elementary Boards:

"The necessity for immediate construction of additional facilities by many of the local school districts motivates the Board of Education of District Number 117 to call a joint meeting of the members of the various Boards in this district for a discussion of common problems and their solution."

Large Crowd Sees Antioch High Lose Opener to Liberty.

Sequoits Play Dundee Friday, Richmond Next Wednesday Night

The largest crowd in the last three years to see a basketball game in the Antioch Township High School gymnasium—an estimated 950 persons—saw Libertyville-Fremont Township High School overcome Antioch High's Sequoits in the season's opener 63 to 58.

A fast-breaking offense by Libertyville, and Antioch's inability to cash in on the free throws gave the visitors the narrow margin of victory.

"I felt that both teams played good basketball considering that it was the first game for them," said Coach Larry Leon. "Our major weakness was our inability to get back on defense in time to stop Libertyville's fast break. Several of our boys were very tense in their first appearance of the year, but they should overcome this after a few games."

Antioch actually lost the game from the free throw line. The Sequoits made but 6 of her 20 shots, while Libertyville made 9 out of 19. Antioch's shooting percentage was 42, and Libertyville's 47.

Tomorrow night Antioch will play Dundee there and on next Wednesday night a pre-Turkey Day game with Richmond there.

Wayne Herbst, guard, was high point man for Antioch Friday night with 19 points, 11 of which were his team's only scores in the final period. Sanders was high point man for Libertyville with 17 points.

The score was 28-26 Libertyville at the half with the game nip and tuck to that point. In the third period the Wildcats forged ahead 47-38 but in the final moments of the quarter Dick Behrens found the

Fred J. Bero, 60, Dies at Venetian Village Home

Fred J. Bero, 60, Venetian Village, died Saturday, November 16, at his home following a heart attack. He was born January 10, 1897, at Joliet, Ill., moving to Chicago at the age of five years, residing there until moving to Venetian Village eight years ago.

He was a member of Prince of Peace church at Lake Villa and of Holy Name Society of that church. He worked as supervisor of the Chicago Transit Authority in Chicago.

Survivors are his wife, Theresa A., three sons, Anthony P. of Venetian Village, Fred J. and Robert F., both of Chicago, one daughter, Mrs. Dolores Hildebrand of Antioch, two brothers, William and Louis, of Chicago, two sisters, Mrs. Minnie Maxwell and Maude Walsh, both of Chicago, and five grandchildren.

Funeral services were held Tuesday at Prince of Peace church, with the Rev. David J. Lynch officiating. Interment was in Ascension cemetery, Chicago.

Antioch Man Indicted

The Lake County grand jury yesterday afternoon returned six indictments against Alfred Young, 26, of rural Antioch, charged with abandoning his wife and five children.

Young was arrested in St. Petersburg, Fla., and returned to Lake county to face the charges.

How Important Is Money?

With "Sputnik" circling the earth, our government has put much more emphasis on the development of our own missile program. When it comes to material needs there is no question of the fact that money talks, but ideas are not a commodity that money controls as such. The fact remains, of course, that with more people working on a project more ideas and progress should result.

It Doesn't Make Sense

Would you gamble with your life to save a minute?

That sounds like a foolish question. But believe it or not, thousands of people take that gamble every day and lose.

Watch people's actions in traffic for an indication of the terrible odds they pit their lives against. Perhaps they're dashing off to the office, or rushing home to dinner, or they're late for an appointment. Whatever it may be, they're pressed for time and they begrudge the minute—or the few seconds—it would take to keep them safe.

So to save that minute they take chances—cross against the lights, cross between intersections, dash out into the street from behind parked cars, gamble on beating an automobile across the street when they know they barely have a chance to make it.

Very often they don't make it. And so the chance takers very quickly become quiet figures on hospital beds or mortuary slabs.

This isn't a very pretty picture, but it is one that needs painting for many people.

Many of the pedestrian deaths would never have occurred if those people concerned would have refused to gamble something as precious as life to save a few seconds time.

Think of this the next time YOU'RE tempted to take a chance in traffic. No matter how important that minute is, it is not worth gambling your life on it.

"Congress Should Find the Courage"

The Fort Worth Star-Telegram calls attention editorially, to what it terms a "... give-away of public funds that hardly can be called minor." It concerns "... the lending of federal funds to REA co-operatives at rates far below what the government has to pay to borrow money." And that lending, incidentally, goes on even though the rural electrification movement in this country is now more than 95 per cent complete.

Interest rates have been rising, and the government currently pays as much as 4 per cent for borrowed money. But it lends money to the REA at a mere 2 per cent. And this, as the Telegram shows, is a matter of importance—such loans, in the last fiscal year, came to \$301 million and the total since REA began has passed the \$3 billion mark.

The Telegram goes on to say: "The REA movement was initiated during the depression years. ... If coddling of these co-operatives was justified then, it can not be justified now, when they have grown

in many cases into powerful competitors with tax-paying private enterprise. ... Congress should find the courage to make them stand on their own financial feet."

It can be added that Congress should make all public-power organizations stand on their own financial feet. And that includes the payment of taxes as well as the going interest rate for funds.

No "Fat"

According to National Review: "The United Packinghouse Workers will demand a thirty-hour week in their contract negotiations with the meat packing industry."

It is interesting—and sobering—to consider what would happen if this came to pass.

In meat packing, as in all manufacturing enterprise, labor costs are an important factor in the total overhead. A reduction in the work week from 40 to 30 hours—that is, a 25 per cent cut—would cause these costs to zoom. And the packers would have no choice save to add the increases to the cost of the meat.

Practically every American family eats meat, and in large quantities. It is, therefore, a major item in the food budget. The increased costs that would follow the shortened week would be a mighty spur to inflation. And, as we know from sad past experience, when inflationary spirals start they feed and swell upon themselves. The workers in the packing industry, of course, would feel the heavy burden of this, along with all the rest of us.

It may be argued that the packers can and should absorb all or part of the higher wage costs. But that is an economic impossibility. There are two standard measures of industrial profits—as a percentage of sales, and as a return on investment. Measured either way, the profits of packers are among the lowest in comparable industry. For instance, over the years their profit on each dollar of sales has run around one cent, and in a number of years it has been less. There is no "fat" here.

What it all adds up to is that labor—in packing and in all other unionized enterprise had better show some intelligent restraints.

\$3,000,000,000 Worth of Ships

As most of us know, the government provides what are known as construction-differential subsidies to steamship companies serving this country's vital foreign trade. And the reason for this long-established policy is both simple and compelling. Due in large part to wage differences, it costs a great deal more to build ships in American yards than in foreign yards. So the payments are necessary in order to keep our yards alive.

Too often, when there is talk about shipping subsidies, the thought is that government pays the whole bill. That isn't correct at all. For instance, in the case of a modern freighter costing \$10 million, the government payment is in the neighborhood of \$4 million, leaving the remaining \$6 million to be paid by the operator—which is the price he would have paid to build his ship in a foreign yard. On top of this, if taxes returned to the government from shipyards, their employees and their subcontractors are considered, the differential subsidy is reduced by 36.6 per cent, and becomes about \$2.5 million instead of \$4 million.

Over the next 10 to 15 years some 300 American merchant ships will have to be replaced, at an estimated cost of more than \$3 billion. The operators will pay more than half of that. And these operators, it should be noted, are in a different position from other industrialists who do not have to completely replace their facilities every 20 years. The United States cannot afford to be at the mercy of foreign yards for its ship construction.

SEQUIOIT NOTES

Antioch High News

The junior varsity and varsity cheerleaders attended a cheerleading clinic held at Glenbrook High School on Saturday, November 16. Forty-three schools were represented by the three hundred and seventy-five girls attending.

Lawrence R. Herkimer, Executive Secretary of the National Cheerleaders Association, was the leader of the cheerleaders' clinic. His special courses for cheerleaders have been conducted in leading high schools and colleges in 32 states. Mr. Herkimer was cheerleader at Southern Methodist University for three years and the University of Illinois for one year.

Varsity cheerleaders at Antioch have attended his cheerleading camp for the past two summers. Sue Wolfenbarger, a former Antioch cheerleader, is working part time with him during the summer, helping to conduct his cheerleading clinics.

Included in the program were: effective cheerleading routines, crowd psychology, boosting school spirit, sportsmanship, pep rallies, bonfires, and parades, songs and chants, novelty yells, uniforms and mass demonstrations.

Girls attending this clinic were: Jan Duha, June Dressel, Sharon Dittman, Lynn Vessenmeyer, Elaine Christensen, Charlene Keulman, Judy Maleck, and Rose Ellen Furlan, head cheerleader. Sponsors accompanying the girls were Miss Lorraine Frantz and Miss Nary Donovan.

The Girls Athletic Association of Antioch Township High School is sponsoring a bake sale to be held on November 23, at the Ford Garage in Antioch. The bake sale will take place from 8:30 to 2:00 p. m. Eight Student Council members and two members of the faculty attended the Student Council District convention, Nov. 16, at Riverside, Brookfield High School.

Joel Armstrong, Frank Ferdon, Dennis Goodenough, Faye Mann, Dan Seyfarth, Judy Pyles, Judy Sheehan, and Paula Zeien. Mrs. Jeanette Tulumello and William Baird were faculty sponsors.

The annual Thanksgiving program will be presented to Antioch students November 27, in the auditorium. Every year this program is organized by the Student Council.

Two members of the student body will recite the invocation and benediction. The Girls Glee Club will sing various sacred songs. The main part of the program will be a speech concerning Thanksgiving by a guest speaker.

A late Gallup Poll survey asked people what they consider to be the chief problem now confronting this country. The top three concerns, in order of mention, are: avoiding war; living costs and inflation; integration.

Grass Lake P. T. A. Meets in New Bldg.; Mrs. Schaefer Vice-P.

Grass Lake P.T.A. met Monday evening in the new basement section of the school for the first time. It was announced that Mrs. William Goetz, vice president had found it necessary to resign. Mrs. Wilbert Schaefer of Petite Lake was nominated and elected by unanimous vote to fill the vacancy.

Mrs. Schaefer, as magazine chairman, asked if in the interest of better foreign relations, the members would like to send a paid subscription for the National Parent Teacher Magazine to some foreign country. It was decided to send it to Sweden, since the president, Mrs. Karl Hawkins, is a native of that country. Mrs. Hawkins said that she will send it to a former teacher of hers so that it will benefit the whole school.

The program Monday evening was a very interesting Book Fair, presented to the parents by Mrs. Calvin Harden of the Antioch Library. She had many fine suggestions for good reading in the different age groups. She covered fiction and non-fiction books in her discussion. Mrs. Harden also suggested that her listeners might solve some Christmas shopping problems with books.

After the meeting was adjourned the sixth grade mothers served refreshments. Mrs. Marshall Peterson is room mother for the sixth grade.

The card and bunco party held last Friday evening, Nov. 15, was a huge success, both financially and socially. Everyone who came had a wonderful time and there was quite a crowd. The prizes included such useful items as throw pillows, a TV bench, mother and daughter aprons and planters.

The Ways and Means committee served hearty refreshments; barbecued beef sandwiches, chips, cheese sandwiches and coffee.

Year of Study by First Committee

About a year of study and discussion was conducted by the Citizens Committee regarding school problems. Because the group seemed to feel that the problems could only be adequately solved by reorganization of the districts, it was proposed that Community Unit organization be studied carefully under the guidance of trained personnel.

High School Finances Aid

The high school district was asked to finance the project since its district included all or part of the underlying elementary districts involved. The high school Board responded by entering into a contract with the Northwestern Committee on Field Services and Research. Dr. Jack A. Childress was assigned as chairman to head the survey. The purpose of the study is contained in the contract:

"To study the feasibility of establishing a Community Unit District in the portion of Lake County served by the Antioch Township High School. This study is to be a cooperative one. The responsibility for the entire program will be shared by the staff of the School of Education of Northwestern University, the faculties of the schools, the Boards of Education, the Student body, and the Citizens of the Community served by the schools. The University will provide resource personnel for various study groups, and the general planning of the entire study will be carried through under the supervision of members of the staff. The responsibility for a final report will be assumed by the members of the School of Education, with the understanding that the Citizens' Committee and Personnel of the school districts will cooperate and participate on the preparation of such a summary."

Committee Was Expanded

At this time, the Citizens Committee was reorganized and expanded to forty-one members and renamed the Citizens Fact Finding Committee Studying the Community Unit System of School Organization. Robert Denman, of Mill-

burn, was elected chairman, and Geraldine Olson was elected secretary. Members were appointed to sub-committees consisting of the following areas of study: Population, Building Trends, Facilities, Boundaries, Curriculum and Finance.

Subsequently, sub-committee reports were developed under the direction of the University field service group. On Oct. 15, 1957, final

sub-committee reports were submitted to Dr. Childress for appraisal and evaluation. At a general meeting Nov. 12, a comprehensive report submitted by Northwestern was discussed by the Citizens Fact Finding Committee. The Committee approved the general essence of the report and directed Dr. Childress to complete polished copies.

The Citizens Fact Finding Committee will present and discuss the

final report with Board members on Dec. 2 at the high school.

The general public will hear the report at a meeting on Dec. 5.

Miss Patricia Ehlert Bride of J. C. Minnis

In a mid-afternoon ceremony Saturday, November 9, in Peace Evangelical church, Wilmet, Wis., Miss Patricia Ann Ehlert, daughter of Mr. and Mrs. Russell Ehlert of Richmond, Ill., became the bride of James Clifford Minnis, son of Mr. and Mrs. Everett Minnis, of Twin Lakes, Wis. The Rev. R. P. Otto performed the double ring ceremony. Mr. and Mrs. Floyd Zarnstorff sang "O Perfect Love," accompanied at the organ by Mrs. Carr.

For her marriage, the new Mrs. Minnis wore a floor length gown of Chantilly lace, with fitted bodice fashioned a stand-up collar, tiers of nylon tulle and inserts of scalloped lace fashioned her bouffant skirt. A jewel trimmed contour headpiece held her silk illusion veil. She carried a bouquet of white baby mums.

Miss Donna Ehlert was her sister's bridesmaid. She wore a floor length gown of shrimp color tulle. Miss Terry Sorghardt, cousin of the bride, wore a floor length gown of romance blue. They carried yellow baby mums.

Randy Sorghardt served as ring bearer. Jerry Day, cousin of the bridegroom, was best man. Jim Cates, friend of the bride and groom, was groomsmen. Richard Frank, cousin of the bride and Billy Minnis, brother of the bridegroom served as ushers.

A reception for four hundred and fifty guests was held following the ceremony at Twin Lakes Ball room. The newlyweds spent their honeymoon in Illinois and Iowa.

Both Mr. and Mrs. Minnis are graduates of Union Free High school at Wilmet. Mr. Minnis is employed by Mariondale Dairy and Mrs. Minnis is employed at Twin Lakes Village.

Antioch Woman's Club Entertained by Reader, Impersonation Humorous

Sixty women attended the meeting of the Antioch Woman's club Monday at which Dorothy Christman gave humorous readings.

Her impersonations included a telephone addict, a tired housewife, a gum chewing cosmetic clerk, and the trials of adjusting to false teeth.

Mrs. William Brook, vice president, presided in the place of Mrs. Clarence Olson, who was ill.

Mrs. Samuel Bailey, social chairman, gave her report. The hostess committee comprised Mrs. John Horan, Mrs. Fred Oschmann, Mrs. Joseph Petrovsky, Jr., Mrs. Warren Polley, Mrs. Roy Turvaara, Mrs. Arthur Laursen, Mrs. Myrus Nelson, and Mrs. Morgan Warffuel.

The next meeting on December 2 will be Guest Day. Mrs. Henrietta K. Strott will entertain with "Paper Magic for Christmas," an illustrated talk on making Christmas decorations and novelties.

With Madrigal Singers

Miss Joan Cervenka of Antioch has been selected as one of four sopranos from the Lake Forest College choir of 60 voices to become a member of the Madrigal Singers group. The Madrigal Singers, a select choral group of 16 voices, will sing on tour, at various county functions, and in Chicago throughout the school year. This is Miss Cervenka's second year with the group.

Good Crowd Attends A.T.H.S. Band Concert

Antioch Amateur Hockey Club Formed Saturday; Rink To Be Built at Salem Country Club Soon

Games To Be Scheduled With Lake Geneva, Lake Forest, Others

Formation of an amateur hockey club has been accomplished in Antioch by some young men of the community who met last weekend in the office of Dr. Richard A. Carlucci.

The club will put a team in the field and will play amateur clubs from other towns in what may become a league. Lake Geneva and Lake Forest are on the schedule thus far.

Heading the local club is James Glenn, 998 Spafford st., president; Paul Eckert, vice president; Wayne Swanson, secretary; Jack Lawrence, treasurer.

Other members of the club are Wally Ring, Dick Dressel, Bill Carney, Ted Portalski, Jerry Van Patten, Dan Seyfarth, Martin Quilty, and Ronald Cunningham.

The club invites others to join if they are interested. The age now ranges from 16 through 20 years.

Plans have been made by the Salem Country Club to provide the skating area, and the club will fence the rink for the competitive games. The members are asking no financial donation, but will be pleased to have donations of lumber for use in fencing the area. They will do the work.

Most of the club members already have their equipment and are ready to start play as soon as the court can be built.

Interested in the success of the local club is the Blackhawk club of Chicago which is seeking to create an interest in hockey and to encourage young men who like to engage in the sport.

Dr. Carlucci said that particular care will be taken to preserve the amateur standing of the club members.

Those wishing to join the club may call any of the officials or Dr. Carlucci.

Matches are being sought with other clubs.

Miss Eugenia Price, Writer, Radio Artist, Will Speak at Zion

Miss Eugenia Price, writer producer of "A Visit With Genie", the unusual radio broadcast of interviews with real people who have experienced spiritual transformation in their lives, will speak about her broadcast in the Zion Auditorium Nov. 24, 25, 26. Her opening address will be at 7:45 p. m. Sunday and she will speak twice daily on Monday and Tuesday, at 10 in the morning and 7:45 in the evening.

Tuesday evening has been set aside as Teen Time for the high school youth of Lake County, some of whom have been featured on Miss Price's broadcasts in the past and many of whom have read her best selling story for Teens entitled "Never a Dull Moment."

Miss Price has expressed her desire to meet people who have interesting stories to relate that are suitable for the broadcast and she is especially interested to meet personally the ministers and their families who are cooperating with the broadcast work.

On Monday evening, Miss Price will be the guest of the Lake County Writers' Group at the home of Miss Vera Swarttrauber, 2611 Escholt, Zion, after her talk at the Auditorium, for a social hour. All Lake County Writers are invited to be present to meet her at this time.

Miss Price's latest book, "Share These Pleasant Stories" will be featured in connection with her talks at the Auditorium.

Approaching Christmas Concert
Mr. R. W. Broten, music director of Salem Central High School, recently announced that the annual Christmas concert will be held on the evening of December 16 at 8:15 in the high school auditorium. Music will be rendered by both band and chorus.

High School Trustees Address Grade P.T.A. On Coming Referendum

Representatives of the Antioch Township High School Board of Trustees addressed the members of the Antioch Grade School Parent-Teacher Association Monday evening on the need of approval of the tax increase asked in the referendum, Nov. 30.

The presentation was made by Principal A. L. Dittman, and board members, Harold Wilson and M. C. Cain.

A visitation to class rooms of their children was made by the 190 parents. In the room of Harrison Brown, the parents listened to a tape recording of their children reciting. Mrs. Lucille Whitacre distributed literature to parents designed to help them in aiding their children to improve their work. Other teachers had displays of work done by the children.

The fourth grade of which Mrs. Fred Yates is teacher, won first place in the attendance of parents, and the sixth grade, of which Mrs. George Garland is teacher, won second place.

Spaghetti supper will be served by the P.T.A. from 5 to 7 p.m. Saturday. Mrs. Richard Stroner is in charge.

Moran Addresses K.C. On Law Enforcement

Antioch Township law enforcement officers and others were guests of the St. Peter of Antioch Council No. 3800 Knights of Columbus Tuesday night at an open meeting in which State's Atty. Thomas H. Moran was the speaker.

Atty. Moran spoke on the problems of law enforcement.

There was a report on the recent election of officers and appointments. New officers are:

John L. Horan, Antioch, grand knight; Joseph J. McGrath, deputy grand knight; Albert E. Fuller, recording secretary, and Ralph M. Stollenwerk, chancellor, all three of Lake Villa; Thomas W. Pechousek, treasurer, Raymond C. Glennon, advocate, Emil Kubs, warden, Thomas F. Haley, inside guard, and Charles Cermak, outside guard, all of Antioch.

Herman Klear, and William Rosing of Antioch, and Francis H. Mitchell of Lake Villa, were named trustees.

Appointed officers are the Rev. Alfred J. Henderson, chaplain; Vincent C. Stonis, lecturer; William B. Bosworth, Jr., Trevor, Wis., financial secretary; Dr. Albert Bucar, chairman of six-point program; Robert H. Berg, Catholic activity; Joseph J. McGrath, Lake Villa, fraternal activity; Lester C. Hamlin, Lake Villa, and Rudolph Eckert, Antioch, membership and insurance; Dr. Albert Bucar, publicity; Raymond C. Yancey, Lake Villa, public relations, and Irving Carey, Newman Foundation.

Antioch Area P.M.A. Holds Annual Meeting Elects New Officers

Waukegan local of the Pure Milk association held its annual dinner meeting Tuesday night at the American Legion Home in Gurnee and elected officers.

Stanley Faulkner of Gurnee again will head the organization as president and Ray Flood again will be vice president. Philip Leable of Zion will take the place of Robert Denman of Millburn as secretary and treasurer. Denman asked for a successor.

Russell Gwaltney of Grayslake was made local director and George Leable and Robert Denman were made voting delegates.

The sales committee will comprise Frank Kaiser of Wadsworth and Kenneth Denman of Millburn. Guest speaker at the dinner was Tim Mogan, Chicago, director of membership.

The Waukegan Local comprises an area in the northeast part of Lake county, including Antioch.

Urban Basic Telephone Service Arranged for Area West of L. Villa

Rural areas west of Lake Villa bounded on the south by Lake street in the Fox Lake Hills area and on the north by the Townline road including the Petite Lake Highlands area will get urban basic telephone service in the near future, Richard N. Hawkinson, manager of the Antioch-Lake Villa exchange announced.

Up to this time the patrons have had rural service on a mileage basis. The area is slightly irregular and patrons can get accurate information as to their specific location so far as new benefits are concerned by calling Manager Hawkinson.

Under the plan the urbanization of the area west of Lake Villa means that the patrons can have one or two-party lines whereas they now are on 8-party lines.

range for five points to narrow the gap 47-43.

Libertyville regained the initiative in the fourth quarter and on successive baskets by Oschmer, Wood and Nicholas, running the score to 56-47.

At this point Herbst took over and ran the Sequoit count to within two points of that of the visitors, who with one minute left, went into a stall that letted them an additional three-point margin before the final whistle.

In the preliminary, the Libertyville-Fremont soph-frosh team won from the Antioch frosh-soph quintet in a double overtime game 48 to 46. At the close of regular play the score was 42-42. In the first overtime the score again was tied 46-46. Then under the rule that the first team to make two points wins, Libertyville scored a basket. Don Pyles, with 24 points was high scorer for Antioch.

ZEIEN FAMILY BAND ENTERTAINS A.T.H.S. MUSIC ASSOCIATION

Entertainment at the regular monthly meeting of the Antioch High School Music Association Tuesday evening included items of unusual interest.

The Paul Zeien family band presented musical selections.

With Paul and his wife playing bass horn and drum and the youngsters playing two trumpets, clarinet, bass drum and trombone, the Zeien Family Band gave a musical treat to remember.

Also at the Tuesday night meeting Mr. and Mrs. E. C. Moore performed on the flute and discussed aspects of music education. Members of the Antioch High School Board were on hand to discuss the November 30 referendum.

Card of Thanks

I wish to thank the boys of the Rescue Squad, Doctors Thain and Kopriya, and the many, many good friends who visited me, who phoned my family as to my welfare; those who remembered me with cards, such beautiful flowers and other gifts while I was in the hospital.

Especially do I wish to thank Fathers Henderson and Johnson, the good nuns, the children of St. Peter's and the congregation for their prayers for my recovery.

Anyone, who in any way helped to make my recent stay in the hospital more pleasant, my grateful thanks to you. Above all, thanks be to God for the privilege of coming home to my family.

Barney Naber.

Coming Events

Feather Party and Dance Saturday, Nov. 23, 8 p. m.
Bowling League Party Saturday, Nov. 30, 9 p. m.

The dance given this past Saturday evening was very nice. Dancing was to the music of a popular string band. Also, a very satisfying lunch was served.

All of our thanks and praise go out to the committee of the chapter, who served such a wonderful turkey dinner Sunday. Many members and their guests were served. Carl Karish did a masterful job of carving for the women.

The feather party coming up this Saturday is always like visiting a poultry show. All the turkeys, geese, chickens and ducks are on exhibit. We will furnish a sack to put your poultry in. The evening will be topped off with a dance.

On Saturday, Nov. 30, the bowling league party will start at 9 p. m. with games, dancing and lunch. All members and their guests are welcome.

The Moose bowling league team, the Hoofs, rolled a match game with the Manitowoc Mutts and won three games. A return match in Antioch will be bowled later.

Slow Down at Night

More than half of all traffic deaths happen at night, even though a lot less driving is done at night than during the day.

In an average year, the Illinois Division of Traffic Safety estimates the mileage death rate is two to three times as great at night as in daylight hours.

The reasons should be apparent to everyone.

You can't see as well at night, and you must see danger to avoid it.

Drivers try to maintain daylight speeds, yet even the best headlights illuminate only a fraction of daylight seeing distance.

Night driving is more likely to result in fatigue, sleepiness and dulled alertness.

And night is the time of sociability which often means driving after drinking.

So drive right and slow down at night. Figure the heavy odds against you and don't gamble with your own life or the lives of others who share the road with you, trusting in your common sense.

It doesn't take brains or skill to send an automobile hurtling through a tunnel of darkness. It does take brains to soberly count the hazards beyond the probing finger of the headlight beam, and skill to be ready and under control for the emergency which may loom at any moment.

ASPIRIN—NEW HELP FOR ARTHRITIS

Arthritis, the nation's No. 1 crippler, hits farm families harder than any other group. Almost one-fourth of all farmers and farm wives suffer from arthritis diseases—a far higher percentage than for any other occupation.

Because arthritic diseases are finally getting the attention they deserve, better treatment is now available, reports the November issue of Successful Farming magazine. Not only are there new drugs available, but doctors have discovered better uses for old ones.

For example, aspirin, once considered only a pain reliever, has proven effective, when used in large doses, in the treatment of rheumatoid arthritis. A recent study indicates that aspirin may even be more satisfactory over a prolonged period than hormones. At the start of the study, six patients in the experiment were so crippled as to be confined to bed or a wheelchair. All six, given a daily dose of about 10 aspirin tablets, have recovered to where they are no longer chair-bound.

One problem with aspirin for some patients is that in large doses it causes stomach distress. Now a new tablet, Ecotrin, overcomes this. It's aspirin with a special coating that stays intact in the stomach, dissolves only in the small intestine, thus permitting the aspirin to be absorbed into the blood from there without affecting the delicate stomach lining.

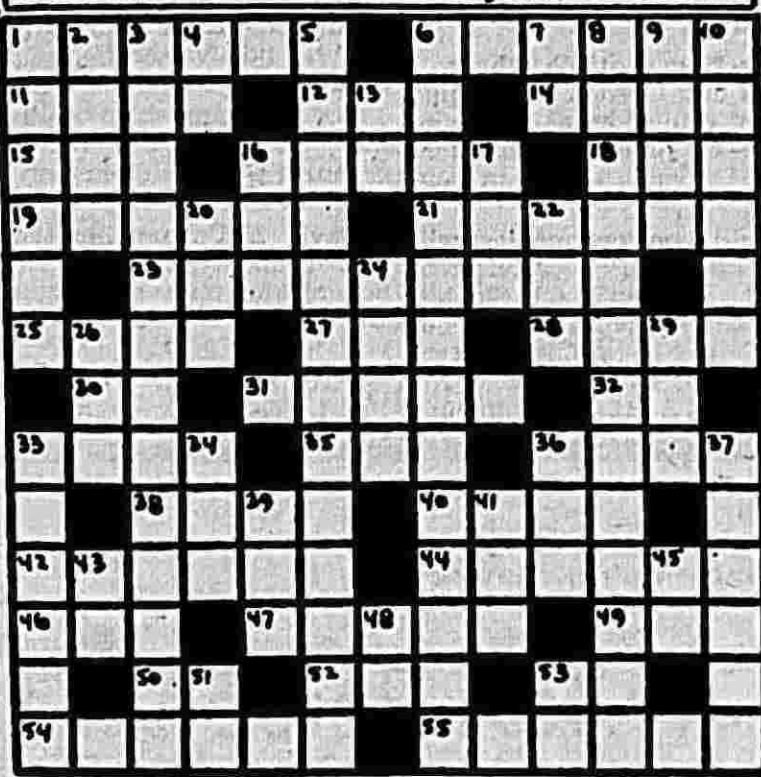

"If this is such a small world, why does it take so much of our money to run it?"—Ken Shively.

CARE Launches Food Crusade

With the help of the American people, CARE will feed over 11 million people a day for the next 12 months, it was announced today by the overseas relief agency's mid-west director, Miss Martha L. David.

Publicly launching CARE's 1957-58 Food Crusade, Miss David stated that this year's \$1 CARE package will average 22 pounds of surplus food. A typical package will contain 5 lbs. milk powder (enough to make 20 quarts), 7 pounds cheese, 5 pounds cornmeal and 5 pounds flour.

Boy Scout Troop No. 92 is sponsoring a Venison dinner to be held Thursday, Dec. 5, at the Methodist church's Wesley Hall in Antioch. Dinner will be served from the hours of 5 p. m. to 8 p. m. Donations per person will be \$1.50 for adults and 75c for children.

General chairman for this event is Mr. Jay Stewart. The chairman in charge of ticket sales is the well known Mr. Jim Horton, Scoutmaster of Troop No. 92. Mr. Stewart and his son, Doug, of Rte. 2, Antioch, were the successful hunters who recently donated the deer which will be the main course at this dinner.

Ten Antioch Boy Scouts from Troops 91 and 92 attended the regu-

lar Den Chiefs' conference for special training on Saturday, Nov. 18. This seminar was jointly sponsored by the Northwest and Lake Shore Council Areas. A Den Chief is a Boy Scout who has been specially chosen for his ability as a Junior Leader to assist his younger counterpart, the Cub Scout, in bridging the gap between the two types of Scouts.

Mr. Jim Bruski, our Neighborhood Commissioner, and Mr. Lyle Rogers, Committeeman for Cub Pack No. 92, transported the boys to Fort Sheridan, Ill., where the training was given. The scouts who were exposed to this instruction were Lee

THE ANTIOCH NEWS

Dr. Ernest Saunders At Methodist Church Tuesday Night for Talk

The Antioch Methodist church will continue its fall series Tuesday. A pot luck supper will be shared at 6:45 p. m. and at 7:30 p. m. Dr. Ernest Saunders will speak on the theme "Mark's Witness to Jesus Christ."

The purpose of the lecture will be to help people understand the message of the Gospel of Mark. Dr. Saunders is a professor of New Testament Interpretation at Garrett Biblical Institute, Evanston, Ill. He originally planned to be a chemical engineer and prepared for this work at Northwestern University.

Dr. Saunders graduated from Boston University, School of Theology, magna cum laude, and was awarded the Ph. D. degree in Biblical studies from Luke University. In 1952 he spent a year in Greece doing special work in New Testament studies. The lecture is open to all persons in the community who are interested.

Morning worship will be held at 9:30 A. M. and 11:00 A. M. Sunday. The Rev. Howard Benson, pastor of the church, will continue his series of sermons on the theme "The Things That Make for Peace."

The congregations of the Antioch Methodist Church and the Millburn Congregational Church will join together for a service of worship on Thanksgiving Day, 9:30 A. M. at the Antioch Methodist Church. The congregations invite all persons who are interested to worship with them this Thanksgiving Day.

The High School Methodist Youth Fellowship is sponsoring a "Pancake Breakfast and Lunch" on Saturday, Nov. 30, 7 a. m. to 2 p. m. at Wesley hall, Antioch Methodist church. This is a fund raising project to send a student in India to college. One hundred fifty dollars will enable an Indian student to attend college for one year.

Teaching of Chemistry At A. T. H. S. Subject At Conference Meet

How chemistry is taught in Antioch Township High School will be explained to chemistry teachers and the administrators of the high schools in the Northwest Conference at a meeting scheduled for March 18 at Warren Township High School.

The meeting will be similar to that held at Grant Township High School Tuesday in which Elmer Stone of the Warren Township mathematics department told teachers and administrators of an experiment in mathematics teaching conducted at Warren under the direction of the University of Illinois through a grant from the Carnegie Corp.

Stone first addressed the mathematics teachers of the eight schools and then a summary of the meeting was presented to the principals, Verne Gowe, conference secretary, said.

Gowe, assistant superintendent of Warren Township High School, said the program for the school administrators for the rest of the year is as follows:

No meeting in December.
Jan. 21—At Lake Forest High School. Discussion of salaries.
Feb. 25—At Round Lake Community High School—Discussion on how school publicity may be improved, led by George G. Crawford, editor of the Waukegan News-Sun and James Levandusky, sports editor.

March 18—At Warren Township High School—Report of nominating committee. Report on experiment in the teaching of chemistry at Antioch Township High School with chemistry teachers of the eight schools as guests.

April 15—Waukegan Township High School—Speaker, Ben A. Sylla, secretary of the Tri-County School Board Assn.

Subject: "The Most Frequent Questions Asked by Members of the Tri-County School Board Assn."

May—Party for administrators and wives, who will attend the play, "My Fair Lady," in Chicago at a week-end to be selected.

Ask Christmas Gifts For Yanks Who Gave

Christmas Gifts for Yanks Who Gave, again will be the slogan in a fund raising drive conducted by the American Legion this year.

The annual program was inaugurated by the National Executive committee of the Legion and Eddie Cantor, star of stage and screen back in 1944. It is a unified program in nearly all states.

There are now 15,000 veteran patients in 49 hospitals in Illinois and each one will receive a Christmas package. This is an opportunity for the public to "give a little for those who gave a lot."

Donations, however small, may be left at the Antioch News office, or mailed to Antioch P. O. Box 72, Cmdr. G. W. Jensen of the Antioch Post, American Legion, announced.

Antioch Boys to Be Installed Friday in Libertyville DeMolay

Lake Chapter, Order of DeMolay, a Lake county youth group, will hold its semi-annual installation of officers at 8 p. m. Friday, at the Masonic temple, 356 Brainard Ave., Libertyville. The public is cordially invited.

The installation on a Friday evening is the first time this has been done since the institution of the De-

Molay chapter at Libertyville in May of 1948.

The new leader of this boys' organization is Stuart R. Pohlman, son of the William L. Pohlman, Jr.'s, of Lake Zurich. Stuart is a sophomore at Ela-Vernon High School. His parents are active in Lake Zurich Masonic activities.

The Senior Councilor for the ensuing term will be Bruce McCallum, son of Mrs. Robert McCallum and the late Robert McCallum. The junior councilor will be Richard Bodine, son of Mr. and Mrs. Lewis

Bodine, and the late Lewis Bodine, of Lake Zurich.

The Boys from Antioch who will be installed are: Gordon K. Volling, past master councilor, as chaplain, Bob Wertz as junior deacon, and Barry Van Patten as second preceptor.

The installation ceremonies will be headed by the "Dad" Advisor of the DeMolays, Ralph C. Shields, 32nd degree Mason of Fremont township. His installing officers will come from Zurich Lodge No. 1089 A. F. & A. M., and include

Frank Grasso, Raymond Miller, Glenwood Elchmann, Spillman Gibbs, and Walter Schroeppel, all 32nd degree Masons.

The installing soloist will be Mrs. Marjorie Frank and the installing organist, C. B. Whitaker of Libertyville.

David McCartney, present Guidance counselor of Ela-Vernon High School and former minister at the Diamond Lake Methodist church, will be the guest speaker.

Escorts for the evening will be the Libertyville Assembly No. 33,

Order of Rainbow for Girls and Lake Zurich Bethel of Job's Daughters. The flower ceremony will be given by Ralph Shields.

According to a U. S. News and World Report estimate, the average income per person this year for the country as a whole will be \$2,009, or 52.7 per cent over the 1947 figure. Largest percentage increases are found in the Southeast and Southwest.

Huge Farm Surpluses Government's Mistake

The federal government doesn't "automatically" owe the farmer a satisfactory income. Because of current conditions (huge surpluses), it does have a responsibility to assure him of a "minimum price support level which will insure farm prices against collapse."

Sen. George D. Aiken, (R-Vermont), member of the Senate Agricultural committee, made that declaration before 1,600 farmers at the key general session of the Illinois Agricultural Association annual meeting.

Senator Aiken was one of three men who expressed his views on government's responsibility to agriculture. Others were Sen. James O. Eastland, (D-Miss.), also a member of the important Senate Agricultural committee, and Dr. J. Carroll Bottum, professor of agricultural economics at Purdue university.

Expanding his views, Senator Aiken explained that because there is a mountain of surplus farm products (\$5 billion worth), the federal government should maintain a minimum price support level.

"This is a government responsibility because previous government programs have resulted in distorting a normal supply-and-demand situation," Senator Aiken said.

"We cannot rectify mistakes overnight and must exercise patience and caution in restoring the functions of basic economic laws."

Senator Aiken had some observations on what were not responsibilities of the federal government to agriculture:

1. It does not owe the farmer a satisfactory income regardless of whether a person is qualified to farm or whether the farm is an economic producing unit.

2. It should not be responsible for programs benefiting the farmer alone unless such programs are in the interests of the nation as a whole.

3. It should not be permitted to

dominate agriculture to an extent which will deprive the farmer of freedom of choice—the right to improve his position, the right to unite with others for mutual benefit, or even the right to make mistakes.

Senator Eastland was prevented from giving his talk in person because of illness. His talk was given by Sam Thompson, his administrative assistant and a farmer from Mississippi.

Senator Eastland said the federal government has a responsibility to keep open the channel of international trade for the disposition of farm products.

"Farmers have a big stake—bigger than they often appreciate—in a high level of trade between nations," Senator Eastland said in his prepared talk. "The agricultural situation today would be immeasurably more critical had it not been for expansion in farm exports in recent years."

Discussing the national farm policy picture, Senator Eastland observed that this nation has the job in finding a way to establish standards by legislative action—particularly as to the level of price support—which contains sufficient recognition of the current market situation to be realistic and workable.

"Yet whatever path is followed we must avoid the delegation of complete discretion to any Secretary of Agriculture," he asserted.

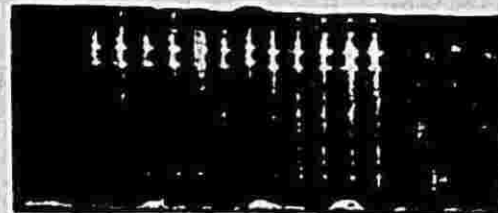

Dr. Bottum's views on the government's responsibilities were twofold: 1, To protect farm income

from falling to levels where financial solvency of efficient farm businesses are threatened, and (2) to bring about long-term adjustments consistent with goals of (a) adequate food and fiber and (b) efficiency and economic progress.

Cheesnog Pie

For Christmas

To lend that magic touch to the holidays, serve this gay Hollywreath Cheesnog Pie.

Who's the most important person in your house at Christmas time? Mrs. Santa Claus, of course, for how could Santa and his friends survive without sustenance?

By plucking this Hollywreath Cheesnog Pie out of your bag of surprises, you can tempt their already sluggish sweet tooth, yet give them a dessert that's really nutritious, too.

Here again your dairyman's ready prepared egg not rises from the confines of the beverage field to something entirely different within the realm of desserts.

You've made eggnog pie before, but the secret of this succulent dessert is the delicate blending of fresh cottage cheese, commercial eggnog and gelatin.

This pie can be whipped up quick as a wink, by dissolving orange flavored gelatin in boiling water and cooling it slightly. Then you just fold in the eggnog and cottage cheese, add a mixture of colorful, glazed fruit and pour the whole mixture into a baked pie shell. Just for fun, to add that holiday touch, garnish it with red candied cherries, cut to resemble bright, Christmas flowers.

The very best part about this Hollywreath Cheesnog Pie, is that you can prepare it well in advance and have it ready for your special holiday dinner or for those unexpected guests who always have a habit of dropping in when you are at your busiest.

Hollywreath Cheesnog Pie

6 servings
9" baked pie shell
1 package orange flavored gelatin
1 cup boiling water
1 12-oz. carton cottage cheese, sieved
1 cup commercial eggnog
1/2 cup mixed candied fruit
Red and green candied cherries.
Dissolve gelatin in boiling water. When cool, add cottage cheese and eggnog. Chill in refrigerator until almost set. Fold in mixed fruit. Pour into baked pie shell. Garnish with candied cherries. Chill until set.

As of September 30, 1956, says the American Hospital Association, there were 6,966 hospitals in the continental United States with 1,607,692 beds. The average daily census was 1,355,792, and the total personnel required was somewhat larger, 1,374,704.

Lindenhurst

Mrs. John Selzer, Correspondent
Telephone Elliot 6-1172

Congratulations to Mr. and Mrs. Clyde Risk who observed their 12th wedding anniversary on Sunday, Nov. 17. On Saturday evening several of their neighbors gathered to help them celebrate the occasion. Those present were Mr. and Mrs. Ted Brendel, Mr. and Mrs. Ray Caldwell, and Mr. and Mrs. Chuck DeSomer.

The Q T Social club met at the home of Babe Hartwig on Tuesday, Nov. 12. After the regular business was over, the girls held a surprise baby shower on Toni Risk who is expecting a visit from the stork in December. There were many lovely gifts and Toni was happily surprised. The remaining time was spent playing games after which the hostess served a delicious lunch.

Terry Walsh, daughter of Mr. and Mrs. John Walsh, was guest of honor at a birthday party given by her mother Saturday afternoon. Little Miss Terry is a big girl of five now. Several of her little friends attended, bringing surprise gifts. After the presents were all opened and the games all played, ice cream and cake were the high light of the afternoon.

A toy chest party was held at the home of Mrs. George McDermott Tuesday, Nov. 12. The demonstrator was Mrs. John Gibbons of Lindenhurst.

Mr. and Mrs. John Peterson with their sons, Ned David, 4 1/2 years, and Douglas, aged 1 moved into their new home on Thornwood Drive Nov. 2. They are now very busy settling in. Mr. Peterson has done all the decorating by himself. Since they are soon to be visited by a certain long legged bird they want it to be in complete readiness. John, who is employed by the Haskris Refrigeration Co. of Lincolnwood, is a fisherman by avocation. He has also been active with scouting and plans to enter it here as soon as the house is completed. Mrs. Peterson, Lois to her friends, teaches Sunday school and is a choir member in the Lutheran church, to which the whole family belongs. Both John and Lois like to play pinochle and are looking for some good times playing the game with friends they will very soon make in Lindenhurst. Both Mr. and Mrs. Peterson were born and raised in Chicago, but are very sure they have made the right choice in coming to Lindenhurst. We who have lived here longer are sure that is so. So we wish you folks much happiness in your new home.

Since the Lindenhurst Men's club has voted a change in the by-laws to add an article permitting the formation of a Ladies' Auxiliary, the Mesdames Slove, Zinnia Neumann, Lynn Hay, MaeBelle Hunt

and Ethyl Brendel are expected to call a caucus of the wives of the Men's Club members to form their organization within the next few weeks.

The ladies will act under the sponsorship of the Men's club but will have their own government and treasury. The purpose of the Auxiliary will be the same as that of the men: to aid the youth of the Village and promote friendship. They will also aid the Men at social events and add the feminine touch.

The Nov. 13 results of the Lindenhurst Men's Club Bowling League: Wolff's won 3 games from Frolik's. Fred Maier won 2 games from Klima's.

Engle's won 2 games from Slove's. John Selzer and Bob Filwett tied for high series with 539. Sam Loblillo has high game with 219.

Mr. and Mrs. Fred Beller are receiving congratulations on the birth of a daughter, born Nov. 15, at the Condell hospital in Libertyville. The young miss, who has been named Carol, tipped the scales at 6 pounds 3/4 ounce at the weighing in ceremony. She had a big brother, Warren, at home.

Mr. and Mrs. Vincent Singer and sons attended the funeral of Mrs. Singer's uncle in Chicago on Saturday morning.

Miss Connie Zorger, daughter of Mr. and Mrs. Walt Zorger, slipped and fell at school last Wednesday, sustaining a fractured leg.

Mr. and Mrs. John Selzer and sons were supper guests Friday in the home of Mr. Selzer's brother and wife, Mr. and Mrs. James Selzer of Winnetka.

Dinner guests Sunday in the John Selzer home were Mr. and Mrs. Peter Selzer of Northbrook, Mr. and Mrs. Francis Selzer and family of Morton Grove and Mr. and Mrs. Henry Schwall of Des Plaines.

Mrs. Vincent Singer was the guest of honor at a surprise baby shower given for her Saturday evening in the A. O. Nelson home on Douglas Lane. After she had opened all her lovely gifts, the evening was pleasantly passed playing swap bingo. Later Mrs. Nelson served a very delicious lunch. The table decor was beautifully done with storks and cradles. The cake used as a centerpiece was decorated in shades of pink.

The children of Prince of Peace school are conducting a paper drive and will pick up your newspapers on Saturday, Nov. 30. They are planning to do this all winter, so will you please save your newsprint instead of discarding it after you

have finished perusing it? The children want to do their bit towards the paying for the lovely new school they are now attending. The ladies of the Altar and Rosary Society are working with them so they will have someone to do the picking up.

Mrs. Helen Skelton received word last week that her mother had suffered a severe heart attack and is still very ill.

Bonnie Swoboda and Lorenlee Lewis have been ill in their homes this past week with the flu. Bonnie is the daughter of Mr. and Mrs. Lou Swoboda and Lorenlee's parents are Mr. and Mrs. Lee Lewis.

A dinner party was held in the home of Mr. and Mrs. James Hartwig honoring her mother, Mrs. Jennie Volpentesta, on her birthday Nov. 16. Among those present were Mr. and Mrs. Frank Volpentesta and family and Mr. and Mrs. Charles Ciano.

Mr. and Mrs. McGary have moved into the former home of Mr. and

Mrs. Mitchell Strew on Beck Rd. Mr. McGary is in the U.S. Navy and is stationed at Great Lakes.

Mr. and Mrs. Lowell Graves were Sunday visitors in the home of Mr. and Mrs. Robert Lang in Ingleside.

LITTLE BILL says:

6¢ a load
is all you pay —
to dry the clean
electric way

An electric dryer does a full 8-lb. load for only 6¢: 2 double sheets, 2 pillowslips, 2 bath towels, 2 face towels, 2 dish towels, 1 pair of pajamas, 2 pairs of men's shorts, 3 pairs of socks, 6 handkerchiefs, and 2 T-shirts. 25 to 30 minutes is all it takes to dry this load!

Nothing's faster, nothing's cleaner—
and electric dryers are completely automatic

COST?

ELECTRIC DRYERS

cost
\$30 to \$60 less
to buy
than any other kind

Today's modern electric dryers will dry a full 8-lb. load of wash for just six cents.

And clothes stay clean and smell clean when they're dried in an electric dryer. No fumes can ever mix with garments. Electric heat is clean, dry, radiant heat—just like the sun.

It takes only 25 to 30 minutes to dry a full load of cottons electrically. This means your dryer will easily keep up with your automatic washer.

All electric dryers are fully automatic. No complicated igniting devices to get out of order.

And, as your electric appliance dealer will tell you, electric dryers cost less than any other type.

CHRISTIAN SCIENCE CHURCHES
A special Thanksgiving service is announced by First Church of Christ, Scientist, Antioch, for 11 A. M. on Thanksgiving Day. The service will be held in the church building at 955 Victoria St.
Open to the public, the service will include voluntary testimonies of gratitude by Christian Scientists for God's goodness as shown in spiritual growth, physical healings, and other blessings.
A Lesson-Sermon for the day entitled "Thanksgiving" will be read in all Christian Science churches. Consisting of selections from the Bible and from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, the Lesson-Sermon will emphasize the importance of expressing gratitude to God in deeds as well as in speech.
The service is open to the general public and local church members have invited everyone to attend.

I. A. A. President Asks Soil Bank Pay Limit On Corn Be Removed

Chicago—Soil bank payment limitations should be removed and the national corn allotment should be set at a minimum of 51 million acres in order to make next year's farm program more effective, Otto Steffey, president of the Illinois Agricultural Association told voting delegates of the association at a recent meeting.

Steffey, Stronghurst farmer, asked for these and other farm program changes in his annual address to Illinois Farm Bureau members during the IAA convention at the Sherman hotel.

"The 3,000 limit on each farm or farmer on payments makes it impossible for some of the older farmers who would like semi-retirement to place their entire base acreage into reserve Soil Bank program," Steffey said.

"And so long as the corn base is fixed at the 37 million acre level or lower, it is going to be impossible for most Illinois corn producers to participate in the acreage reserve program," the president of the statewide Farm Bureau stated.

He pointed out that in 1956 only 29 per cent of Illinois corn land was planted within the allotment when the national figure was 43 million acres.

Reports indicate that participation under the 37.4 million acre allotment this year "was very low indeed," Steffey said.

"Such changes would allow the Corn Belt farmer to participate in the program and make his contribution to the solution of our problems."

Looking ahead, Steffey made these suggestions for an "essentially sound" long-term program:

"1. Return to the original intent of commodity loans on basic crops—to support prices at a reasonable level to assure orderly marketing and avoid disastrous price levels.

"Had we been wise enough to continue on this basis, the huge surpluses now hanging over our markets would have been used in their times. Realistic supports would require government purchases only on a get-in-, get-out basis.

"2. Continue the Soil Bank approach, with one soil-depleting allotment for each farm to cover all crops. Compliance with this program should be a must for participation in any price support program.

"3. Abandon reclamation projects which are bringing 150,000 acres of new cropland into production at a time when we are setting aside current crop acres and spending billions of dollars to dispose of surpluses already produced.

"4. Expand research aimed at: discovery of new crops for which there is a ready non-food market; new uses for agricultural products; and greater efficiency in marketing and distribution."

In his annual message, Steffey also reviewed the business progress of the IAA affiliated companies which rolled up an impressive gross revenue of just over a quarter of a billion dollars.

The Hickory School Mothers' Club members served the annual banquet given by the Antioch Local of the Pure Milk Association at the Millburn church dining room on Thursday evening, Nov. 14.

Expect to pay less for major items on your Thanksgiving dinner menu in comparison with a year ago. Turkeys are more plentiful and lower priced with exception of small Beltsville birds. Competition in Chicago is keener too. Eumper crops of oranges, grapefruit, apples and cranberries, for example, insure fresh fruit and vegetable bargains. Only tomatoes and carrots are scarce and high priced.

Library News

The Antioch Township Library is celebrating Book Week with a large display of new books for children, book marks and Book Week posters. Since books make excellent Christmas presents, the library staff will be happy to help their patrons to select books for the children on their Christmas list.

As the height of the book publishing season is upon us, many fine books are being added to the library. Constance Robertson's "Go and Catch a Falling Star" is a love story. In "The Mask" Stuart Cloete returns to the Boer farmers of South Africa. Margaret C. Barnes presents a vivid panorama of the middle ages in "Isabel the Fair." A philosopher and a statesman turned historians have each added a new volume to their series. Will Durant gave us "The Reformation" volume 8 of the "History of Civilization" and Winston Churchill's "Age of Revolution" is volume 3 of his "History of the English Speaking Peoples." Drew Middleton's "These Are the British" and Andre Maurois' "History of France" are informative.

In the field of biography: "Face to Face" by Ved Mehta, "To Live Again," by Catherine Marshall, "No Man Stands Alone," by Barney Ross and Bernard Baruch's "My Own Story" provide insight into the lives of a diverse group of people. "The White Mouse" by Russell Bradton and "Helmet for My Pillow" by Robert Leckie are stories of World War II.

About 56,000 Gas Heat Customers Now Budget Their Service Bills

About 56,000 gas heat customers of Northern Illinois Gas Company are now using the budget plan as a convenient way to pay their gas service bills. This is an increase of about 40 per cent over the 38,000 who used the plan last year.

The budget book consists of 10 payment coupons on which is shown the monthly amount the customer has selected to pay. Slightly less

than 80 per cent have elected to pay \$15 or \$20 a month. The payments begin during the summer months so that a credit is accumulated in the account by the time the winter heating bills become due.

The regular bi-monthly bills these customers receive reflect the balance in the account after the amount of the current bill is deducted.

The eight-inch guns of a heavy cruiser can hurl a 280-pound shell more than 13 miles.

It is forecast that by 1965, and perhaps sooner, there will be 81 million motor vehicles registered in this country, as against 66,275,000 now. This gives special relevance to a statement by Lewis H. Mumford, an authority on city planning: "Americans who once sang, 'We love our rocks and rills, we love our temples hills' now could accurately sing, 'We love our expressways and parking lots, big cloverleaves and traffic knots'."

B-58 BUICK

Now you can Switch the Pitch a Million Ways

FLIGHT PITCH DYNAFLOW*—last word in travel with your wheels on the ground

MAYBE you've felt smooth transmissions before.

MAYBE you've had obedient response before.

But take it from us—you have never in all your born days known anything like this Buick's Flight Pitch Dynaflo!

This one switches the pitch a million ways—automatically, smoothly, thrillingly.

Thanks to a new infinite-pitch stator, you get the most efficient ratio of engine power to rear-wheel turning on the American scene today.

The result: an exuberant feeling of aliveness—a new sense of command unlike anything you've known before.

But there's far more than brilliant performance in this '58 Buick. It embodies more aircraft principles than any other car yet built. It carries a new excitement in styling—a joyous new comfort in travel—a new nimbleness to handling—and the solid satisfaction of a new standard of Buick quality.

Want to hear more? See more? Do more?

Drop in and guest-drive the glamorous B-58 Buick today.

*Flight Pitch Dynaflo standard on LIMITED and ROADMASTER 75, optional at extra cost on other Series. Air-Polse Suspension optional at extra cost on all Series.

New Face of Fashion—From the new Dynastar Grille to the exciting rear tail towers, this is the freshest style fashion in years—the look of flight on wheels.

New Miracle Ride Plus Buick Air-Polse Suspension—To the outstanding Buick ride-engineering comes the new marvel of a ride on 4 columns of air. Levellest, smoothest, most luxurious ride you've ever known.

New B-12000 Engine—As advanced as today's fuels will let auto engineering go—with Buick's new Quadrajet carburetion, up to 10 to 1 compression, new brilliantly responsive power.

New Air-Cooled Aluminum Front Brakes—"Air conditioned" by 45 radial fins, these extra-powerful aluminum brakes give smoother, more positive stopping and longer lining-life. (Standard on most models.)
